SEPT 2025

CRT45-0566

Agri-Fab, 22.68 KG (50 lb) Deluxe Push Spreader

The 50 lb. Deluxe Push Spreader will help you grow the beautiful lawn that you've always wanted. The 10-inch flat free tires provide a smooth transport on the project area. An enclosed gearbox helps protect the gears for a long lifespan. A hopper cover and grate are optional accessories. The cover is used to keep the material dry and the grate improves material flow and spreader performance. A cable flow control provides an easy method to open or close during spreading, with a large handle for easy use.

- Perfect for fertilising or weed control.
- Tool-less assembly
- 10-inch poly wheels
- Enclosed gear box with bevel gears for longer life and smoother rolling
- Build-in side deflector for integrated media directional control
- Rust-proof poly hopper and spreader plate increases product life.
- Durable cable control with large handle for easy use
- Fold-up kickstand allows to hang on wall for easy storage
- Optional Extras: Grate & Cover
- Made in the USA with global materials.

Weight: 8 lbs, 3.63 kg
Length: 29.96", 761 mm
Width: 16.94", 430 mm
Height: 33.86", 860 mm
Wheels / Tyres: 10" (254 mm) Poly wheels.
 Standard Pack: 1
 Replaces OEM: 45-0566

CRT45-0532

Agri-Fab, 38.55 KG (85 lb) Push Broadcast Spreader Pro

The 85 lb. Push Spreader Pro will help you grow the beautiful lawn that you've always wanted. This spreader is designed to evenly fertilise your lawn with nutrients it needs for growth, colour, root strength and overall health.

- Perfect for fertilising or weed control.
- Easy set controls allow for precise amount of product to be distributed onto lawns.
- Rust-proof poly hopper and spreader plate increases product life.
- Corrosion resistant hardware.
- Manoeuvrable - Pneumatic tyres let you go anywhere to get the job completely done.
- Made in the USA with global materials.
- 38.55 kgs (85 lb.) capacity covers approximately 1,011 square metres (1/4 acre or 14,000 sq. ft.) depending on material used and speed of application.

Weight: 22 lbs, 9.979 kg
Length: 20.0", 508 mm
Width: 22.5", 571.5 mm
Height: 27.5", 698.5 mm
Wheels / Tyres: 10" (254 mm) Pneumatic wheels.

PROKUT Chain Features

- Designed and engineered in Australia for Australian conditions.
- Every component is precisely manufactured from high quality German steel.
- Engineered for precision, balance and low vibration.
- Manufactured to exacting standards of strength, durability and quality.
- Chromed cutters for a sharper edge and a longer life.
- Every single rivet used in PROKUT chain is individually induction-hardened for a precise, consistent hardness providing unrivalled stretch and wear resistance.
- Each PROKUT chain is pre-stretched including bulk chain rolls. This provides a high-performance chain that is ready to use with the absolute minimum of stretch straight out of the box!
